In Re: Appellate Case No. 2012-213013

Dear Deputy Clerk, Allen,

I received your letter from my Attorney Philip W. Jamison that was dated February 21, 2013. I do apologize for the delay in my response to your letter and I do intend to present in writing arguable issues for the basis of my appeal.

I am housed at the Lieber Correctional Institution located in Ridgeway, S.C. and my living assignment is the Ashley Unit. You may or may not have heard that this unit has had a riot within the last year and have been on lock down since. I am now allowed a little more movement and better access to the Prison Law Library, as in months prior I wasn't. I am requesting at this time a 45 day extension to file and arguable issues I feel has been preserved for appeal. Please inform me in writing of the court's decision concerning this matter. Thank you in advance for your consideration in this matter, I am,

Sincerely,

Somar A. Robinson #281722
