Re: *C. Barry Dykes vs. Wild Wing Company, LLC*  
Appellate Case No. 2021-000767

Dear Ms. Allen:

This letter is to update the Court of Appeals regarding the transcripts relative to the above-referenced matter.

On December 6, 2021, we received the transcript for the hearing on May 4, 2021, from Bobbi Fisher (Official Court Reporter). Ms. Fisher advises that there were some inaudibles throughout, particularly on the judge's ruling. "The audio when he was speaking was cutting in and out so I was not able to capture the complete record there, unfortunately; both the court reporter's audio as well as the Webex video had technical glitches there."

Regarding the March 5, 2021 hearing, it appears that the hearing was not put on the record and there is no transcript. Ms. Fisher located and reviewed the Webex video. According to Ms. Fisher, "Mr. Lyles joins the call at 6:24 and then at 7:15 the judge chats with counsel (off the record) and then at 10:16, the judge dismisses the court reporter and she leaves the session, so it doesn't appear there's a transcript for this date."

According to my calculations, Appellant's Initial Brief is due on or before January 5, 2022. If my calculation is incorrect, please let me know.
