Linda -

We represent the Respondents in this appeal. As you and I discussed on the telephone, we sent a letter on 4/24/13 requesting an extension of time to respond to Appellants' Petition for Writ. A copy of the letter is attached. In the letter, I neglected to state a reason for our need for more time to file our response. The reason we are requesting the extension is that, due to a heavy case load which involves a substantial amount of time out of the office, we need more time to draft our response. This is our first request for an extension. If you have any questions or need any further information, please do not hesitate to contact me.

Thank you,  
Christy
