RE: Travis Walker, Individually and as Personal Representative of the Estate of Douglas Williford, and Lolita Moore v. AnMed Health, Anderson Emergency Associates, P.A., Kevin Morton NP, Jamie Moon RN, and Betty Boyles RN
SCCA Appellate Case Number: 2021-001036
Civil Action Number: 2021-CP-04-0470
Our File Number: 22.20510

Dear Ms. Kitchings:

This letter is to request a thirty-day extension of time to file the Initial Brief of Respondents Anderson Emergency Associates P.A., and Kevin Morton NP and their Designation of Matter to be Included in the Record on Appeal in the above referenced appeal. Other obligations, court appearances, and deadlines have prevented me from completing this brief by the current deadline of December 13, 2021. In particular, the undersigned counsel has the first case for trial in the Greenville County Court of Common Pleas beginning Monday, December 13, 2021. No previous extension has been requested and granted.

By my calculations, the Initial Brief of Appellant and its Designation of Matter will be due on or before January 12, 2022. The \$50.00 check for the filing fee will be sent under separate cover. If you require a formal motion, please advise.

Lastly, please note that the Court accepted and filed a Notice of Appearance from me on October 5, 2021, but I am not listed as counsel of record on the South Carolina Appellate Case Management System. As a result, I have not been receiving electronic notices from the Court. I would respectfully request that the Case Management System can be updated to show me as counsel for the Respondents, together with current counsel, Howard W. Paschal, Jr.

Thank you very much for your consideration of this request.

The Honorable Jenny Abbott Kitchings
