To the Court,

To summarize as follows

- 1. That Rose Crosby Walsh, under (oath) told false statements about my words, which in actuality she in fact before the family agreement contacted me and offered a "sweet deal" to me for my mother's disputed property by phone that can be verified by my soon to be x wife, Crystal D Crosby. That statement, regarding my brother Jessie in record was a made up statement done so to draw sympathy from the Court. That the emotional tole on me even before the December 5, 2018 hearing had began its mental stress on me (al)I documented by my five years of Veterans Affairs medical records sent to the Clerk of Court's office...**
- 2. That my losing the mental support and confidant in my wife of 25 years one can (not) place a value on that in any manner. That my marriage will end in divorce through discord sewn into my household. That I was bombarded with papers sometimes 100 or more pages by the Appellant's attorney, that a written request was given that it was interfering with my quality of rest and peace with a severe disability, (all) in record. As well as my two daughter's statement (all) in record on my behalf what they had to endure by disruption of my life...**
- 3. That I have sustained monetary damage in the amount of \$61,770.00 for attorney fees which I (did) not even need plus my share of the disputed property of \$30,000.00. That I even went to the extent of a Codicil of Last Will and Testament to safeguard my family for the future, (all) in record...**
- 4. That I have tried, to through petitions show to the Court the truth of this matter (all) documented in record and have only been silenced through the system of the Court by the Clerk of Court's office. That no one should have to endure such an unrelenting person as Rose Crosby Walsh by her greed and dishonesty. I conclude in saying that (no) amount of money can change the end of a marriage and the damage to my children will never be the same...**
- 5. I petition the Court by Petition of Redress of grievances for \$250,000.00 for wrongs done to me and my family. In truth, integrity and with humility.....**

Sincerely,

Kelvin W Crosby
