*RE: Madeline R. Arata and Kenneth C. Arata v. Village West Owner's  
Association, Inc. d/b/a Village West Horizontal Property Regime*

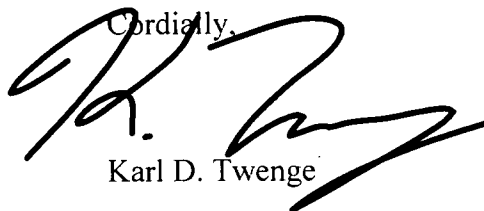

Dear Ms. Kitchings:

Please be advised that I will not be filing a notice of appearance on behalf of the Appellants in the above captioned appeal before the SC Court of Appeals. It is my understanding that the Appellants will be seeking new counsel and that it is their intention to file for a 30 day continuance/extension of the Court's order filed March 26, 2013 requiring an amendment to the Record on Appeal. I have spoken with Brian Pitts, attorney for the Respondent, and he has graciously agreed to a 30 day extension to that order. I apologize for any inconvenience or delay resulting from any confusion regarding my making an appearance in this case.

Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact me.

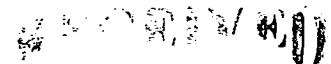

With kind regards, I remain,

Cordially,

Karl D. Twenge
