Received, thank you., but mrs. Hardoon did not tell me that I had to pay the balance before she send the hard copy and that her first estimate was based on a total of 236 pages. I'm a little confused by her estimate being so badly, missed by 100 pages with all those years of experience of court reporting, maybe it is because a lot of things were added, and I also was waiting to see when she make the corrections, what the final cost would be. Well if I got to pay the additional cost I will, but if it has additional things that were added, will I get my additional money back?

Can you just, please ma'am give me a call?

Good morning Mr. Clemons.

Please see the answers to your questions below in red.

- How long does it take for him to receive a hard copy of his transcript from CR Sharon Hardoon because he has not received it? **Mr. Clemons I have attached the final invoice sent to you by Sharon Hardoon. I also attached the initial estimate that she sent to you as well. Ms. Hardoon will send you the hard copy of the transcript once you have paid the final invoice.**
- How long does a complaint takes to process because he has not received a response from his letter of complaint? **You did not give an explanation of what you thought should or should not be in the transcript for the pages and lines that you want corrected. Once you let us know what you think specifically should or should not be in the transcript for those particular parts you state are wrong, we can review the transcript and inform you of our findings.**
