Dear Clerk,

I am an indigent litigant seeking documentation of actions initiated under the name: Don-Sorvi Chisolm aka Don Sorvi Chisolm aka Donsorvi Chisolm.

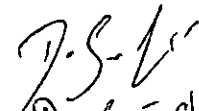

The information and documentation sought would've been filed as appellate case # 2011-200186 with the original action based in Dorchester County. This litigant seeks the entire file active or archived so that he may seek redress with the Supreme Court. This litigant does not have any documentation currently as it concerns this matter and seeks your assistance in securing all relevant and filed documentation in the matter. Counsel of record has been unresponsive to similar requests.

Additionally this litigant requests any and all documentation regarding appeals filed in action initiated in Berkeley County Court of origin. This litigant does not have an appellate case number but can provide the corresponding indictment #'s 10gs 08-01424, 01425, 01426. If there is an active or archived file bearing such indictments regarding State v. Don Sorvi Chisolm the litigant requests copies of this documentation for purposes of initiating Supreme Court actions.

The litigant would again state that counsel of record has been unresponsive in similar requests and that the litigant is without any other means of obtaining the documents necessary to continue legal action.

Thank you in advance for your time and concern in processing this request.
