MOTION FOR REHEARING APPEAL

CLERK OF COURT
SOUTH CAROLINA
COURT SECURITY
P.O. BOX 10000
COLUMBIA, SC 29208-0000

Counsel for appellant moves this court for a rehearing on Appellate Case No.: 2021-000842. Appellant requested to appeal her guilty plea from July 27, 2021 during the requisite time period and was notified on November 1, 2021 that the appeal was denied.

The following is submitted in support of this motion:

1. On November 01, 2021, Defendant mailed via certified letter an explanation of the grounds for which her appeal should be granted to the South Carolina Court of Appeals;
2. On or around December 6, 2021 Defendant received notice that the grounds for appeal were insufficient via mailed letter from the South Carolina Court of Appeals;
3. Defendant's position is at the time of entering into the plea agreement, she had recently gone through a series of personal issues that may have affected her mental state and her ability to adequately understand the information provided by Defense Counsel;
4. Defendant believes that because she was unable to adequately understand the information presented to her, the plea agreement in which she entered in to is not proper.

Wherefore, for the above-stated reasons as well as any other reasons which may appear to this Court, Ms. George prays that this court grant her motion for rehearing this appellate case.

Respectfully Submitted,
