

The South Carolina Court of Appeals

Timothy Saj, Appellant,

v.

Haven at Regent Park, Respondent.

Appellate Case No. 2020-001225

ORDER

First, Respondent's motion to dismiss is denied. Second, Appellant's initial brief filed August 17, 2021 is stricken. Within thirty days of the date of this order, Appellant shall serve and file an amended initial brief that complies with Rule 208, SCACR, including a table of contents and cases as well as a statement of issues on appeal. Appellant shall also simultaneously serve and file the designation of matter with the initial brief. Failure of Appellant to comply may result in the dismissal of this appeal.
