RE: Rachel J. Turner v. Medustrial Healthcare, et al.
Workers' Compensation File No. 1514359
Appellate Case No.: 2021-633

Dear Ms. Kitchings:

The Initial Brief of Respondent and Designation of Matter in the above-referenced workers' compensation appeal are due to be served and filed on or around December 29, 2021. However, due to a heavy workload and the upcoming Christmas and New Year Holidays, I am requesting a thirty-day extension to serve and file these documents. This is the **first** extension request in this case, and it is not intended for the purpose of delay.

I appreciate your consideration of this request and ask that the filing deadlines be held in abeyance while this request is pending.

By copy of this letter, I am informing counsel for the Appellant, as well as counsel for the other Respondents, of this extension request.

Sincerely,

Erin Farthing
