SC Court of Appeals

Appellate Case No: 2013 000661

Appellant submitted verifications to the courts as well South Carolina Dept. of Corrections General Counsel on April 12, 2013. Appellant submitted a correspondence including a institutional grievance informing the courts why Appellate could not continue with the case at hand. The institutional grievance stated on the back the reason why grievant could not continue with this case. I have submitted a correspondence with Administrative Law Court requesting verification from Judge MCLEOD and also inform him that Appellate was in need of verification that he heard case /or docket no: 0818 for a institutional infraction. Appellate started this case mentioned here in at Kershaw corr. Inst. Do to Appellate being assaulted, and transferred to Allendale Corr. Inst. Appellate Legal Materials and Law Case's were lost. Appellate would like to know when property is found can he continue with the case. Appellate has taken the procedure's mandated to have his property recovered by (SCDC).  
By Appellate submitting the documentations prior to Appellate submitting this correspondence will ~~not~~ also be upheld. Anything this office

Can provide will be greatly appreciated.
