4) On the following dates March 12, 16 and 26 of 2009. I was outside the Florence County Courthouse waiting on the results of my brother's pre-trial where he was supposed to receive a PR Bond and a speedy trial. I was told by our mother that the speedy trial got delayed and the PR Bond got denied. I believed his rights were violated when he was misrepresented by his attorney and was not made aware of all the Proceedings. Also he was forced on December 7, 2009 to plead guilty because he was told that the state would have our mother testified against him and he didn't want to put our mother's health at risk. He was never presented with any evidence against him. His attorney C. Steven Mclaurin was supposed to file a direct appeal and was never done. I would like for the court to investigate my brother's case to further see that my brother's rights were violated.
