S.C. Court of Appeals

In the letter I received from this Court dated 12/02/21, States that if I wish to Communicate with this Court, I have to do so in writing. And that is understandable for the reason this Court has listed. I am not wanting to file a motion of any kind, due to me wanting to know "To Seek Relief" implies in detail.

In the letter it states that if "I wish to Communicate with this Court," but there is no mention of this Court no longer communicating with me, to inform me of when or if I am to file any documents. Or is there no communication from this Court to me until I file a motion "To Seek Relief"? And if that is the case what would that entail?

If this Court feels the need not to give me the answers to my questions regarding the letter I received without <sup>me</sup> filing a motion of any kind then I beg this Court pardon, and ask that the letter in its entirety be disregarded.

Respectfully,  
Dana L. Dixon

S.C. Court of Appeals,

I Dana L. Dixon, Appellant for  
Case No. 2021-000696, am writing this Court  
to state that I tried<sup>to</sup> personally deliver  
both briefs to the Respondents on December  
23, 24 2021. And was unable to do so, due to  
I received no answer at Respondents building  
front door (Directorq) located at 1122 Lady St.  
which caused me to place both briefs in  
the United States mail, on December 27, 2021.  
I pray this causes no inconvenience.

Respectfully,  
Dana L. Dixon
