S.C. SUPREME COURT

Appellate ~~case~~ case
No. 2021-001397

Dear Ms. Howard

I have received your letter on 12-31-2021 that you wrote on Dec. 23, 2021. Yes, I will like it if you would consider my notice of appeal as the explanation for the response to the circuit court action as barred my action as being successive and/or as being untimely under the statute of limitations. So yes, please use my notice of appeal for ~~my~~ ^{my} explanation, that's what I am advising the court to do. I am innocent and I honestly believe that if my attorney C. Steven McLaurin wasn't ineffective during the time that he was representing me, we would not be in the stage that I'm in right now, I would be home. Also, if the court (state) would have honored my speedy trial that was violated on 3-16-2009, I would be home and not in prison fighting an untimely file. I never knew how long I had to file a ~~the~~ direct appeal, so I was filing other issues, which back in 2011 I had filed some paper work in your court, that's another reason why I didn't file what I am arguing now.

1-3-2022

I really am innocent ms. Howard! I never committed the crime that I am incarcerated for, someone just lied on me, that's why I'm in prison. Also, be mindful that I have sent you the response from the Florence County Sheriffs office. What I requested wasn't there, not on record. So, I called and I was told by someone at the front desk in the Florence County Detention center that the system was changed back in 2015, so they could not have pull up the transportation records. I was wanted those documents to show that I was present inside of the Florence County courtroom, during a pre-trial hearing that the state had never filed an order, motion etc... to even have held. So, now I have no proof to show that I went to court, so I had my brother sent in an affidavit, because he was present at the court house in Florence County that day of March 12, 18 and the 26 of 2009. Please, please!!! I'm asking the court to have mercy on me and rule in my favor! I'm innocent! I never committed a crime, and I'm asking the court to rule in my favor and grant me some relief!!!

Very truly yours
