SC Court of Appeals

Good Afternoon: I received an email from the Court of Appeals regarding the status of the transcript that was requested on October 13, 2021. A copy of which is attached. The transcript request regarding State v. Isaac Duran, is attached for reference. As of this date, I have not received the transcript. Would it be possible to obtain an update as to the status of this?

I am copying the Court of Appeals on this email.
