**SC Court of Appeals**

This matter came before the court upon Defendants' motion for reconsideration of the court's order filed August 18, 2021. Based upon my review of that order and the other materials in the case record, I find and conclude that Defendants' motion should be denied. Defendants have not raised any matter that was not previously addressed by the court, either expressly or by implication, in its August 18, 2021 order. Wherefore,

Defendants' motion for reconsideration is DENIED.
