**Re: *Snee Farm Lakes Homeowner's Association, Inc., individually and on behalf of those similarly situated v. The Commissioners of Public Works for the Town of Mount Pleasant d/b/a Mount Pleasant Waterworks***  
**Appellate Case No.: 2021-001395**

Dear Ms. Kitchings:

I hope this finds you well. Please allow this letter to serve as a response to Ms. Allen's letter, dated January 5, 2022. We apologize for any confusion we may have caused regarding ordering the transcript in this matter. We did, in fact, request the transcript timely, on December 2, 2021 – the same day we served our Notice of Appeal; however, we neglected to copy all parties, the Office of Court Administration, and the clerk of the appellate court with copies of all correspondence with the court reporter, pursuant to Rule 207. I have enclosed a copy of our timely transcript request hereto.

Further, unfortunately there was some confusion about the correct court reporter, as Judge Dennis was traveling, and this was a remote hearing. As such, our transcript request was sent to the incorrect court reporter.

Please note that we have subsequently reached out to the correct court reporter and have received a copy of the transcript. Enclosed, please find correspondence from the court reporter delivering the transcript. We respectfully request this court allow our appeal to move forward, despite our unfortunate oversights.

If you have any questions or need anything further, please do not hesitate to contact me. With kind regards, I remain

Sincerely yours,
