Re: Terence L. Rush v. Michael B. Stribble  
Appellate Case No. 2021-000817

Dear Mr. Rush:

We received your letter dated December 23, 2021 regarding the return of the document marked "Exhibit A" containing a reply to a motion to dismiss. Our records indicate that there is no motion to dismiss this appeal pending. Therefore, no action will be taken on this filing.

Furthermore, you have failed to correct the deficiencies in your motion to order the transcript out of time, the motion for extension of time to serve and file the appellant's initial brief and designation of matter, and a corrected designation of matter as required by this Court's letters dated September 20, 2021, September 30, 2021 and December 14, 2021. Within ten (10) days from the date of this letter, you must cure the deficiencies for both motions. Failure to cure the deficiencies within ten (10) days from the date of this letter **will** result in the dismissal of this appeal.

A copy of the deficiency letters issued regarding the designation of matter, motion to order the transcript out of time, and motion for extension of time to serve and file the appellant's initial brief and designation of matter have been enclosed for your convenience.

Very truly yours,

*V Claire Allen*
