Honorable Judge Jenny Abbott Kitchings,

This was sent to me and part of the case being appealed. It needs to be shown and wasn't allowed to be shown in court. I did not willingly go into an agreement on this. I was threatened with this letter from my former attorney. I did not understand the true wrong doing in this case until I met with Hudson Law firm. I am a widow and Mother of two adult special needs children and really need to get this case resolved. I can provide you with any medical records as proof of my or their diagnosis. Thank you for time. Teresa Waldrop
