Dear Ms. Allen:

Attached is the initial Appellants' Reply Brief.

This evening, we ran into some strange spontaneous formatting issues and problems with connectivity and the computer freezing up. I was unable to solve these things today. These only affected the table of cases and table of contents from what I can tell.

I thought it better to get this to you now to try to avoid any delay, and attempt to fix these things tomorrow without adding to or changing the text of the brief if that will be permitted.

I am copying Respondent's counsel, Mr. Dillard.

Best regards,

Barry Stanton
