Good morning Mr. Clark, I see where Mr. Norris is complaining about my brief not being turned in on time, and the reason why it is not on time is that Mr. Norris and his influence is the cause of this situation. when the LORD helps me get to the authorities that will help me, get and listen to the audio recording of the transcript of the trail that has been altered and delayed. Again, I'm asking and pleading with the Appellate Court to listen to the Audio Recording, because the transcript has been changed to make me look like a dummy and a fool, that is why I have not got my brief in yet because I have been fighting with the Administration Department of Court Reporters to correct this, but they refused and is ignoring it and me.
