**Re: Tony's Garage, LLC v. UniFirst Corporation
Appellate Case No. 2021-000986
RPR File No.: 9722-005**

Dear Ms. Kitchings:

As counsel for Respondent UniFirst Corporation, we respectfully request a 30-day extension of time in which to serve and file our Initial Respondent's Brief and Designation of Matter to be Included in the Record on Appeal. The Brief and Designations are currently due on Monday, January 24, 2022. With a 30-day extension of time, they would be due on Wednesday, February 23, 2022.

We find it necessary to request this extension due to the undersigned's current workload, including the preparation of additional respondents' briefs before this Court and preparation for an oral argument before the S.C. Supreme Court. The undersigned has also had illness in her family and school closures and quarantine for children. This is our first request for an extension of time to serve and file the Initial Respondent's Brief and Designation of Matter. Counsel for Appellant has also consented to this request.

All counsel of record is copied on this correspondence. In addition, we will be separately delivering the \$50.00 filing fee for this request.

If you have any questions or need anything further, please let me know.

Sincerely,

/s Carmen V. Ganjehsani

Carmen V. Ganjehsani
