

# The South Carolina Court of Appeals

Homer Williams, Respondent,

v.

Walter P. Rawl & Sons, Inc. and Great American  
Alliance Insurance Company, Appellants.

Appellate Case No. 2013-000239

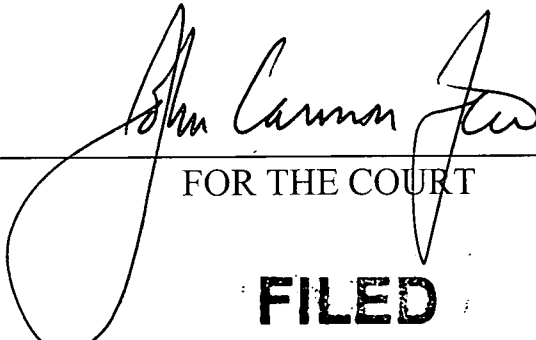

---

## ORDER

---

Appellants appeal an order of the appellate panel of the workers' compensation commission. Respondent filed a motion to dismiss, arguing this court lacks appellate jurisdiction because Appellants failed to timely appeal the order issued by the single commissioner.

After careful consideration of the parties' filings, the motion is denied. However, nothing in this order prevents the parties from raising the timeliness of the appeal from the single commissioner in their briefs.
