Thank you for your reply and I received the filings from the scanner after I that email was sent out. The extension will have to be amended, you are requesting a second extension but this will be the third extension.

If you could amend it to third I can get them filed with the Court.

Thank you,
Ethel

Thank you for your email. I filed (electronically) the attached extension request yesterday afternoon, or at least I thought I did. I anticipate completing the petition by early next week. The appendix is ready to be filed, except for adding a cover page.

Please let me know if can answer any other questions or provide additional information.

Best,
Charles
