COMES NOW Appellant, Palmetto Lake City Operating, LLC d/b/a Lake City-Scranton Healthcare Center, by and through its undersigned counsel, pursuant to Rule 263(b), SCACR, and moves for an extension of ten (10) days' additional time to file/serve its initial reply brief and corresponding designation of matter to be included in the record on appeal.

Presently, in accordance with Rule 208(a)(3), the deadline for Appellants' initial reply brief and designation of matter is today, January 18, 2022. On account of work-related and other time commitments, Appellant respectfully requests that this deadline be extended by 10 days (from January 18, 2022), i.e., through January 28, 2022. Respectfully, Appellant believes this relief is consistent with the interests of justice and will not work any undue prejudice upon Respondent.

WHEREFORE, Appellant moves this Honorable Court to grant it an additional extension of 10 days' time to file/serve its initial reply brief and corresponding designation of matter to be included in the record on appeal. With the extension requested herein, the new deadline for filing/serving its initial reply brief and designation of matter would be January 28, 2022, according to the undersigned's calculations. Further, Appellant respectfully requests that the Court hold the present initial-reply-briefing/designation-of-matter deadline in abeyance until it acts upon this motion.
