Re: State ex rel Wilson v. City of Columbia - Appellate Case No. 2021-001012
Return to Motion to Amend Exhibit and Clarify Record

Dear Ms. Kitchings:

I would appreciate your accepting this letter return to the City's Motion to Amend Exhibit to Notice of Appeal and Motion to Clarify Record. The State does not object to the Motion to Amend. The State opposes the Motion to Clarify the Record by removing the original initial brief. That brief is part of the record of this case. The presence of that brief would not be confusing to the parties, because the State has already responded to the amended brief. The final briefs of the parties will be based upon the amended brief and response thereto.

Should the Court prefer a more formal response, please let me know, and I will be glad to file one.

Respectfully submitted,

s/ J. EMORY SMITH, JR.

Counsel for the State ex rel Wilson
