

Hello. My name is Jonathan Nieves, I am writing this letter in correspondence to my previous letter.

I wrote concerning my Direct Appeal, and how can I fix the matter. My lawyer Joshua Koger Jr. failed to respectfully respond to the Clerk of Appeals. I was told he filed my motion but did not complete everything that needed to be done. I was told to release him as my lawyer due to his lack of responding. I am giving permission to release him as my lawyer and add for the time being an indigent lawyer. I am begging and asking respectfully to have the opportunity to still file my Direct Appeal. I do apologize for the lack of support of my counsel and hope to resolve this matter. Thank you.
