Re: Appellate Case No. 2019-000736
Appellant Motion for Reconsideration

Dear Madam Clerk:

I was copied on Mr. Halford's Motion for Reconsideration dated January 14, 2022. The court decided this case on December 15, 2021. There was not a petition for rehearing, and the case was remitted. The Supreme Court has held that recalling the remittitur requires a strong showing of mistake or inadvertence on the part of the court. See, State v. Barnes, 413 S.C.1, 774 S.C.2d 454 (2015). There was no such showing here. Accordingly, the request should be denied. To the extent that a response is required to Mr. Halford's attempted filing, I respectfully request the court to construe this letter as a return to the motion.

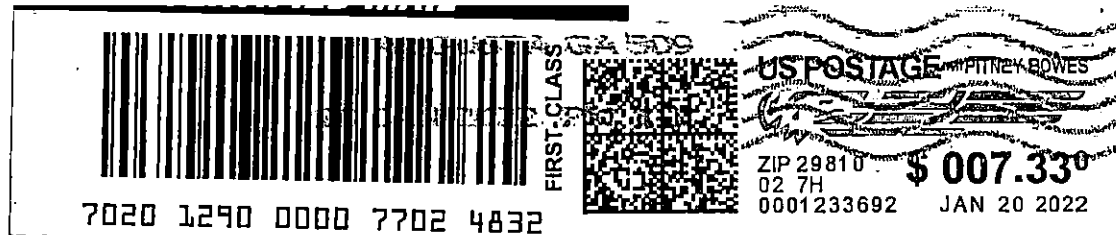

Please let me know if you need anything else from me.

Sincerely,

Mark B. Tinsley
