Hello Ms. Falin,

I have mailed out a response to Rick McDuff's Motion to Dismiss my credible appeal with the court of appeals. This includes other documents that will clearly show that McDuff has acted fraudulently in obtaining the rulings in Oconee County.

There is no way I can get any fair trial in Oconee County when McDuff has all his good ol' boy network and the networks of his father in the sheriff's department and every courthouse from the security personnel at the door to the circuit court. This includes the first judge on this case, Kenneth Johns. Johns is currently suspended.

I have a very strong case and would greatly appreciate a fair venue where all voices can be heard and all rulings transparent and fair.

Thank you,

Dorothy Pierce
