The State of South Carolina  
Appeal From Charleston County  
Motion For additional Extension of time to amend  
Appellants Initial  
January 26, 2022

Greetings Appellants are requesting an additional extension of time to amend the initial brief. Due to one of the appellants being hospitalized and in critical condition it will be of great importance and great thanks if the court would grant a 5 day extension for appellants initial brief to be amended. As equity delights in equality and to do complete justice and not by halves. The opposing party will be ~~sent~~ sent a copy of the motion and the amended initial brief for their review as well. The money order for the motion has been sent in the mail. As always we come in good faith good person and good conscience, clean hands we thank you for administering gods grace equitably and righteously. We ask for forgiveness for not being in compliance with the rules as there was a mistake made and we thank you for the opportunity to right these wrongs. 2 Corinthians 9:8 "And Gods is able to make all grace abound towards you abundantly, so that in all things at all times, having all that you need you will abound in every good work."
