

The South Carolina Court of Appeals

The State, Respondent,

v.

Jamel Dajour Williams, Appellant.

Appellate Case No. 2020-000101

ORDER

Jamel Dajour Williams's January 24, 2022 filing is construed as a motion to extend the time to serve and file a petition for rehearing. *See* Rule 242(c), SCACR ("A decision of the Court of Appeals is not final for the purpose of review by the Supreme Court until the petition for rehearing . . . has been acted on by the Court of Appeals."). The time to serve and file the petition for rehearing is extended until February 11, 2022. To the extent Williams's January 24, 2022 filing is a request to extend the time to serve and file a petition for writ of certiorari and appendix, this court does not have the authority to do that.
