Re: Shon Turner v. MUSC
Appellate Case No. 2020-001231

Dear Ms. Howard:

I am in receipt of your letter regarding a discrepancy in Appellant's motion for costs. Per telephone discussion, it is my understanding that the Court's concern lies in the difference between the number of pages listed for the cost of printing the Final Reply Brief of Appellant (50 pages), the Final Brief of Appellant (50 pages), and Respondent's Brief on Appeal (255 pages).

These numbers were drawn from figures listed in the receipts tendered to us by FedEx Office upon completion of copying and binding. Upon further review of these receipts, it appears the discrepancy is a result of FedEx providing a courtesy discount for copying the pages of the Final Reply Brief of Appellant and the Final Brief of Appellant, while still charging for printing the covers and binding all the pages and covers of the briefs together.

That being the case, the numbers set forth in the motion nevertheless accurately state the charges paid by Appellant's counsel for the services provided by FedEx.

Should you have any questions or require further clarification, I am happy to be of assistance. Thank you for your attention to this matter.

Very truly yours,

Robert B. Ransom

cc: M. Dawes Cook, Jr., Esq.
