STONEBURNER V. REVERCOMB

1 that being said, at the end of the day, it
2 doesn't matter whether you said the Laches or
3 I filed something under time. And, to come
4 back to this, this is terribly prejudicial to
5 my people. Are you kidding me? These were
6 students at the University who he sued eight
7 months after they left town hoping, quite
8 frankly, that they wouldn't file -- wouldn't
9 get a lawyer, and then 10 years pass. And he
10 files this thing, so, now, they're asking for
11 interest. You're asking for interest for ten
12 years that has never been adjudicated that we
13 owe anything. That's their demand, and, if you
14 remember -- it's going back when we had this
15 matter in front of Judge Barber -- they brought
16 it under the wrong name. They brought it under
17 the wrong name so -- wait a minute? -- that's
18 a corporation that I think I have a part of.
19 The whole thing is a mess, and this thing just
20 needs to be dismissed. It's ridiculous. I've
21 said that three times.

22 **THE COURT:** How much time do you need to make a
23 response?

24 **MR. BOGER:** I've got something due to the Court of
25 Appeals by Friday, Your Honor. Give me two
