IMK, et al.
Appellate Case No. 2012-213237
Our File No.: 7603.336

¹OF COUNSEL

Dear Ms. Kitchings:

On April 29, 2013, though not a required memorandum, I filed with this Court the original and 6 copies of Respondent Upstate Utilities' Reply to Appellant's Return to Respondent Upstate Utilities' Motion to Dismiss or in the Alternative Motion to Strike. I certified on the Proof of Service that the same was being served on Appellant and Respondent HNS. After reviewing my file, I realized that this Reply to the Return did not go in the mail and therefore disregard my reply and rely only on my Motion and Memorandum to Dismiss and/or Strike. By copy of this letter, I am advising opposing counsel that my Reply to Appellant's Return was not timely served and should not be considered.

Yours truly,

S. Markey Stubbs
