RE: Jayne LaForge Stovall v. Paulette B. Stovall, Appellate Case No. 2021-001504

**RECEIVED**

SC Court of Appeals

I received your letter today about the transcript. I had written before about not being sure if there was a written transcript or recording of the two hearings in Probate Court held by Judge Jennings and you did not answer the question. Today, I sent an E-Mail to Teresa Caldwell the clerk at the Greenville Probate Court, who was extremely helpful and prompt in answering questions I had, asking if there was a transcript of the two court hearings, and what I needed to do as far as filling out a form requesting these two transcripts and what the fees for obtaining them will be. Specifically, I am referring to the hearing on May 19, 2021 and July 7, 2021. Judge Jennings did not issue an Order after the May 19<sup>th</sup> hearing; and because he made improper personal remarks during that hearing, I wonder if a transcript or complete audio was made and retained, or partially "redacted" if it still exists.

In researching the procedure and requirements for obtaining and providing a transcript, as well as creating and serving a Motion requesting permission to order the transcript outside of filing deadlines, I believe that I have ten (10) days from the day I RECEIVED your letter, on 1/21/22 to advise you as to the status of the transcript. That date would be Monday, January 31, 2022. As you also know, there could be an extended length of time to obtain a transcript, depending on whether or not one is already transcribed, or on audio.

If I do not hear back from Teresa next week, I will go ahead and file the Motion.

Teresa,

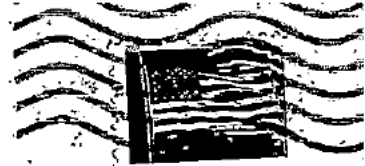

My case, #2018-ES-23-02556, is being reviewed in Columbia by the Appeals court. They require a transcript from Probate Ct. and that I need to order it from you. What is the cost and how long does it take to get it? Please advise.
