RE: Fuller v. State 2020CP401877

Please take notice that I Am Submitting this notice of appeal for the Above mentioned case to secure appellate review. See Rule 203, SCACR.

~~See Martinez v. Ryan - 566 U.S. 1, 132 S.Ct. 1309 (2012),~~

There is a arguable basis for asserting that the determination of the lower court was improper. See Rule 243 (C), SCACR.

The state of South Carolina conspired to convict me without completing my competency evaluation while compelling me to take ps/chootropic

Medicine.

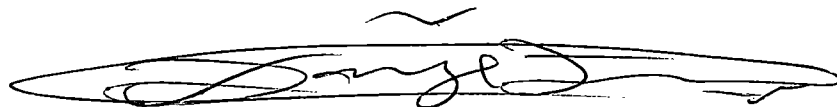

Before My First PCR I requested Documents From The Courts and The State with held those Files. I didnt recieve these Files until the beginning of 2020.

I am entitled to a New PCR Hearing So that I can have all documents at the Hearing.

The DMH Report by Lakshmi Narayan Pratap MD Was not Fully presented at May 2009 PCR. It was only Mentioned, and not physically Presented, And Attorney Patricia Blarquette, Did not object to Gregory Collins Testimony.

Per Martinez v. Ryan - 566 US 1. 132 S.Ct. 1309 (2012), I am entitled to a PCR hearing.

Im Requesting My Transcript and A Attorney For my Defence on this Appeal.
