Ms. Kitchings-

SC Court of Appeals

I'm writing you to find out whether or not am I being released from here on or before the 21st of Feb. that will be the 7th year I've served of this sentence (wrongful conviction) I'm sure my case has been vacated. Ms. Hackett has represented me in this appeal from Nov. 15, 2016 until Nov. 17, 2021 that's a long time for anything. I understand the state or its employees will never admit when they're wrong but Aiken County went out their way to wrongfully convict me of a crime they all knew I wouldn't have or could've done never in a million years. That is why there was not any evidence witnesses, accuser, indictments no nothing just a crooked judge and asst. public defender, solicitor or should I say crooked judges. I just want to go home to my family and start my life over again and forget about this part of my life. The letters I recieved from you and Ms. Hackett wasn't clear to me am it to assume this case is over with and done??? and now its time for me to go home. Please inform Kershaw classification to release me on or by the 21st of Feb
