Ms. Harrington,

I have been working through the history of this case trying to find the record on appeal. I located a proof of service in the Court documents indicating that the record on appeal was delivered to me by email and went back in my history to look for it. It appears that you sent me this sharefile and it must have gone to my spam folder back in November of 2020. It's expired now, so I can't access it. Would you please resend this material to me? Thank you.

Good afternoon! Attached is a ShareFile containing a copy of the Record on Appeal in connection with the referenced matter. (<https://hsblawfirm.sharefile.com/d-s69ce8d7a7fb04f9>)

The ShareFile link will be available to the parties for thirty (30) days and does not require a password to access the file.

By copy of this email, we are serving a copy of the Record on Appeal on attorney for Respondent/Appellant Holmes. We are also having the unbound original hand delivered to the Court. We have additional bound copies available for the Court at your request.

Please let us know if you have any difficulty accessing the Record on Appeal or need anything further from us at this time.

Thank you.
