REQUEST FOR EXTENSION OF TIME

The undersigned does hereby move, pursuant to Rule 263(b) for an Order extending the time within which the Appellant shall file and serve Appellants' Initial Brief on the Respondents in the above-captioned matter. The undersigned respectfully requests an additional sixty (60) days within which to file and serve such matters.

This Motion is based upon the fact that, the parties conducted a mediation in this matter and a related case and have reached a global settlement agreement which would resolve this matter. Since that time, the parties have been working diligently to finalize the settlement agreement. Given the complexity of the case and the size and number of parties involved, it has taken some time to finalize the settlement, however, it is anticipated that the above requested extension should give sufficient time for the parties to finalize the settlement.
