Re: Edward Spears v. Michael Hopewell
Appellate Case No. 2020-000479

Dear Mr. Spears:

The Court received your voicemails dated January 19, February 4, and February 9, 2022, inquiring about the status of your case. Our records reflect briefing is complete and your case is pending review by the Court. Your case is still pending in this Court and is being processed in the normal fashion. It is difficult to predict when a case will be decided by the Court because of the many variables that affect the briefing, docketing, and decision-making process of any given case. When a final decision has been made on your case, you will be immediately notified.

Due to the high volume of cases pending before the Court and the need for this office to respond to other callers, we are not always able to respond to your questions immediately. If you wish to communicate with the Court, you must do so in writing. Written communications are the most efficient means for your concerns to be considered and addressed by the Court.

Very truly yours,

CLERK
