

Yes, I'm writing to try to explain why my Appeal brief hasn't made it on time because our institution has been locked down because of the Covid-19 and I've been in isolation for the Covid-19. I couldn't get the institution to supply me with the envelopes because I had money on my books but we wasn't allowed to get them from canteen at the time. I'm sending a copy of the paperwork from me trying to get the envelopes that I needed. By the prison being locked down it was hard for me to get anything done and we just came off today. I'm just trying to get a fair bite of the apple to let the truth be heard for my freedom.

Thank you,
