S.C. SUPREME COURT

To the Honorable Supreme Court:

Please be advised that Petitioner wishes to withdraw his application to move forward in the Supreme Court. Your consideration is greatly appreciated.

After careful consideration as to the facts and reasons why the Court of Appeals dismissed Appellant was not due to a ruling on the case's merits. Rather questions of clarification were filed by the Appellant regarding Appellants Record of Appeal due to Respondents mistakes and alterations of which confused the Appellant causing the Appellant not to fix his Record of Appeal in a timely manner.

THEREFORE, Petitioner is moving into Federal Court while bringing in additional Defendants, all guilty of Extrinsic Fraud Upon the Court, Civil Rights Violations, Fraud, Entrapment, and Intentional Lack of Disclosure.

Submitted on this 22 day of February 2022.
