Re: Rachel Turner v. Medustrial Healthcare  
Appellate Case No. 2021-000633

Dear Counsel:

Pursuant to a phone call between counsel for appellant-respondent Rachel Turner and a staff member of the Court on February 18, 2022, the motion served and filed on February 14, 2022 inadvertently requested an extension of time for their initial reply brief. However, the motion was intended to request an extension of time for the appellant-respondent's initial brief of respondent and designation of matter. The appellant-respondent's initial reply brief has already been served and filed on February 14, 2022. Appellant-Respondent was instructed to serve and file an amended motion to request an extension of time for the appropriate brief. The amended motion has been served and filed. Enclosed is an order from the Court.

Very truly yours,
