

Dear Court Of Appeals

The reasons why im requesting for a appeal is because I have been sentence to 15 years for a crime I did not commit and they dont have any sufficient evidence that I had a weapon and classification is tryn to send me to the worst prison in Richland County which I fear for my life I never been to prison before and from the things I seen on da news about "Lee County" and other prisons were very scary so I pray dat you accept my appeal request and find it in your heart to lower my sentence to 2 years non-violent an 10 years parole so im able to come home back to my job, kids and family and continue to achieve success for we may not know what the future holds, but we can trust the one who holds the future thank you and god bless.

Respectfully yours,  
Olynn Bannister
