Dear Ms. Kitchings,

MAY I please get a Continuance on my "Anders-Brief" Amendment. This is extremely important to my case MA'AM. For some reason I CAN NOT get my Appellate Attorney Kathrine Hudgins Esq. to send me copies of my trial and Arraignment Hearing transcripts Ms Kitchings and I desperately need these transcripts to properly prepare my Amendment to her Anders-Brief. She says she sent them out already but I've not received any type of transcript from her period and she is outright refusing to send my Arraignment transcript. I thought it was my right to have all these transcripts, is it? Please allow me or get me a Continuance on my 45 Day deadline because I'm still trying to get this Appellate Attorney to send me my transcripts MA'AM. I apologize for bothering you, as I'm sure you are busy enough without my problems. Thank you for your help.
