RE: Jayne LaForge Stovall v. Paulette B. Stovall
Appellate Case No. 2021-001504

I received your letter dated 2/9/22 on Saturday, 2/12/22. Accordingly, this response is due on 2/22/22. On 2/7/22, I mailed a packet to your office which included a Money Order for \$50 as well as a Motion For Extension of Time. The Motion format was NOT available on the net, according to your clerk, who has been very helpful, but I was able to find a format and used that for the Motion. Attached to that Motion was a Proof of Service, exactly like ones used previously.

The letter I wrote to you, which was also included in that packet, contained information you had asked me for previously regarding obtaining transcripts, contacting the transcription service, and other matters unrelated to the Motion. THE LETTER WAS NOT PART OF THE MOTION, and I sent a copy of it to Devon Puriefoy, along with a copy of THE MOTION AND PROOF OF SERVICE OF THE MOTION so he would know that I had contacted you. I also wanted him to know that I know what stunts he is trying to pull to have my Appeal dismissed. Over the past three years, I have sent the two previous members of his firm copies of everything I have as evidence, as well as to him. As I have told you, I have hard copies of all materials relevant to my case, as I never knew what was being filed in the Probate Court or in the Greenville Court of Common Pleas after I no longer had an attorney.

I have never received a receipt or acknowledgement of my filing fees, or the copy I sent to your office and to Puriefoy and to my brother, who is co-defendant in my case, of my initial brief. I have done everything you have asked me to do, and would appreciate your response.
