To Clerk of Court SC Court of Appeals, as well as Clerk of Court Charleston County Probate.

(Peaceful request of valued sentimental object) by Petition of Redress of Grievances to be added to: *SC Court of Appeals Court actions as well as, Charleston County Probate Court reopened file.

Dear Rose Walsh,

This is my second request to have that piece of concrete with my brother Bobby footprints, with terminal cancer and myself Kelvin a beneficiary of the estate of Annie Mae Crosby placed outside the fence of her residence for me to pick up as I am coming down to Summerville shortly. To visit my dying brother.

It means nothing to you... No value whatsoever for you.

You legally did not provide me with the \$3,000 for personal belongings, withheld it for no reason as Fiduciary. With \$300,000.00 in estate funds, you as well deeded a piece of property to yourself by Register of Deeds -- and not my brother Jessie Fred Crosby his land, bequeathed to you assumed possession.

I am requesting this as it holds sentimental value for me! Has tremendous value to me...

Sincerely,

Kelvin W Crosby
