To Whom It May Concern:

We received your letter dated February 28, 2022 extending our deadline to file the record on appeal to March 4, 2022. We are currently waiting on an order on our Motion for In Camera Review which was filed on February 14, 2022. Our Motion for Extension to file the record on appeal requested an extension of "*ten (10) days from the date on which the Court issues an order related to Appellant's Motion for In Camera Review.*" We ask that you please amend the order for an extension of the date for filing the record on appeal to reflect that which was requested in the motion- that it not be due until ten days after the Court rules upon our Motion for *In Camera* Review.

If you have any questions regarding the above, please feel free to contact our office.

Sincerely,

**ROE CASSIDY COATES & PRICE, P.A.**
