Re: Willie J. Asbury v. State
Appellate Case No. 2013-000878
Trial Court Case No. 2012-CP-46-02911

Dear Mr. Asbury:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within fifteen (15) days of the date of this letter:

- While you have submitted a copy of the final order, you will need to submit a copy of the conditional order of dismissal.
- Since the order of the circuit court determined that this action is barred as being successive and/or as being untimely under the statute of limitations, Rule 243(c), SCACR, requires you to provide a written explanation as to why this determination was improper. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the lower court was

improper. The failure to make a sufficient showing may result in the dismissal of this matter.

Very truly yours,
